

Only our occupation has stopped clearcutting and spraying in Nova Scotia

Now we are blockading again
in East Dalhousie

<https://www.saltwire.com/news/timeline-take-back-the-forest-residents-in-annapolis-county-walk-in-the-woods-to-celebrate-a-year-of-success-392488/?location=nova-scoti>

<https://www.cbc.ca/news/canada/nova-scotia/herbicide-spraying-glyphosate-annapolis-county-protests-occupy-land-cancel-1.5728775>

Industries that keep forests intact are our best defense
against the climate crisis

We want protection for species at risk and a moratorium
on the spraying and clearcutting of crown land for pulp
